1. Academic Uniform Policy

Harvard H. Ellis Technical High School has implemented an academic uniform policy for all students in grades 9-12. Our expectation is that all 9th-12th grade students will arrive in their school uniforms on the first day of school. Ninth and twelfth grade students will start the school year in academics and they should report to school in their academic uniform. Once the cycle changes to shop, they are expected to wear their trade embroidered exploratory or shop shirt, appropriate pants, (jeans are allowed, no holes, no tears), work boots and safety glasses. All footwear including but not limited to boots, shoes, and sneakers must be “non-marking”.

The school has chosen to work with Darter Specialties Inc., who will provide the school uniforms. All shirts, sweaters, sweatshirts and other tops, which will have the school-approved logo imprinted on them, must be purchased on-line through this vendor. Pants can be also purchased on-line with Darter Specialties and they must be black, navy blue or khaki in color. No leggings, jeggings or tights will be permitted. Girls will be allowed to wear black, navy blue or khaki skirts, as long as the length is appropriate. Two inches above the knee or longer is the rule. Both girls and boys are permitted to wear black, navy blue or khaki shorts in academics. They should be a golf or walking style short and be an appropriate length, two inches above the knee or longer. **Cargo style shorts and pants are not permitted.** Sneakers or shoes must have backs and closed toes. Crocs, moccasins, heelys, (shoes with wheels in the soles) are **not permitted.** PE Uniform shirts and shorts are not part of the daily academic uniform and only allowed to be worn in PE classes.

Academic uniforms reflecting our school logo may be purchased at Darter Specialties. They can be contacted on their website at [www.darterschools.com/ellistech](http://www.darterschools.com/ellistech) or at (860) 699-9805. We appreciate your support in your child’s adherence of the school uniform policy.

Additional Ellis Tech uniform apparel is available from Darter Specialties Inc, [www.darterschools.com/ellistech](http://www.darterschools.com/ellistech).

Hooded sweatshirt policy:

The following relaxed hooded sweatshirt policy is now in effect:

Hooded sweatshirts will be allowed in **academics only** with the following guidelines:

- Students will be allowed to wear any Ellis Tech hooded sweatshirt purchased from Darter Specialties.
- Non-uniform hooded sweatshirts are **not allowed over or under** uniform shirts (students are permitted to wear plain white, navy blue, or black long sleeve shirts under their uniform polo shirts provided they do not have any writing or logos on the sleeves. Hoods are **not allowed** to be worn on student’s heads at any time while in the building.
- Hooded sweatshirts are **not allowed** in shops.

Uniform Violation Protocol

Teachers send uniform violators directly to the Dean of Students at the end of the class period and the following consequences will be assigned:

1st violation --- conference with student and phone call or email home
2nd violation ---conference with student, phone call or email home, and one administrative detention
3rd violation --- conference with student, phone call or email home, and one administrative detention
4th violation --- conference with student, phone call or email home, and two administrative detentions
Subsequent offenses will be subject to progressive disciplinary consequences.

2. Assemblies

Assembly programs are carefully selected for their positive educational value. Students are expected to conduct themselves in a proper and sensible manner. Any student who is disruptive will be removed from the assembly and disciplinary action will be taken. Unacceptable behaviors include, but are not limited to: making inappropriate noises, shouting, whistling, etc., leaving the area without permission of a teacher, and eating or drinking.

Athletic Events

As a spectator at a school-related athletic event, a student is a representative of the school. The playing field should be thought of as an extension of the classroom and the student should abide by the following guidelines:

- Show respect for all participants and officials at all times, including opposing players and cheerleaders.
- Show a positive attitude in cheering, refraining from intimidating or negative cheering. Good sportsmanship is cheering your own team to victory.

Anyone found in violation of the following undesirable actions may be asked to leave the event:

1. Use of obscene or abusive language.
2. Use of noisemakers.
3. Throwing objects.
4. Being on the premises of the scheduled contest while under the influence of alcohol or drugs.

Graduation Ceremonies

The graduation ceremony is considered an assembly. All eligible students are expected to participate in graduation. Students and guests are expected to conduct themselves with dignity in accordance with the guidelines specified under assemblies.

3. Attendance

The student’s record of attendance, including absences and tardiness, is one of the more important items to appear on the total school record. It informs the future employer about the student’s health, attitude toward work, responsibility, and habits of punctuality. In addition to potential employers, schools, government, the armed forces, and others, will make inquiries as to the student’s attendance records for years to come. Therefore, the student should establish early habits of regular attendance and punctuality, and maintain them throughout his or her years at Ellis Tech.

Parents are allowed to excuse student absences for a limited number of days throughout the year, with written & signed documentation. Notification will be sent once the limit is reached.

- To be eligible for a Perfect Attendance Award Certificate, a student’s attendance must be “perfect” – no tardies or early dismissal or absences for any reason. This includes excused absences and excused tardies. The award will not be presented until the last day of school to ensure that the attendance is perfect for the entire school year.

Call in Procedure

Parents and/Guardian must call the absentee line, at (860) 774-8511 and select option 3 from 7:18 AM to 8:20 AM on the day their son/daughter will be absent; they should leave a message if necessary. After three (3) or more consecutive day’s absences, students must report to the school nurse for clearance.

Calling students out does not excuse students for the day. Please send written & signed documentation to the Dean of Students to excuse absences within 2 school days.

Missed Work
Students are responsible for missed schoolwork during their absence from school. Circumstances may allow for prior special arrangements to be made, but permission must be obtained from the instructor for extended time. Special arrangements should be limited to situations when the Guidance Department and the Department Heads feel it is necessary. Students not making up work will receive a zero. If the cycle changes, students must contact their previous cycle instructor(s) to obtain missed schoolwork.

**STUDENTS WHO ARE SUSPENDED ARE RESPONSIBLE FOR MAKING UP ALL ASSIGNMENTS.** If the suspension period is five or more days, parents are encouraged to contact the School Counseling Office for assignments.

**Tardy – Procedures and Consequences**
Occasionally tardiness is unavoidable, but frequent tardiness is a habit the student should make every effort to correct. The Dean of Students will determine whether the reason for tardiness is to be excused or unexcused. Problems with bus transportation are always excused. In an effort to help students develop good work place habits, it is important that they are on time to school each day.

Tardies are cumulative and consequences are progressive throughout the year. Habitual tardiness is considered a correctable behavior problem and may require counseling and parental conferences. Continuous and excessive tardiness may result in the loss of parking privileges, participation in WBL and school sponsored activities.

**Students will be considered late if not in their homeroom by the 7:18 am bell.** Students who arrive after the 7:18 am bell, should report to the Dean of Students to obtain a pass for homeroom, shop or class. If the Dean is not available, students should report to the Main Office.

A student who accumulates
- three (3) unexcused tardy days, will receive a letter home to the parent and the student will meet with the Dean of Students.
- six (6) unexcused tardy days, will receive a letter home to the parent and the student will meet with the Dean of Students.
- One (1) detention per every tardy day thereafter.

**Parental notes to excuse tardiness are limited to three notes.**

In addition, any student arriving late to class or shop, without a proper pass, will be assigned appropriate discipline by the teacher of that class or shop.

*(This policy is subject to change)*

**Early Dismissal**
Generally, all requests for early dismissal should be in writing and submitted twenty-four (24) hours in advance. The student should submit the note to the Dean of Students prior to the end of homeroom the day before the planned early dismissal. A phone number where a parent may be reached must be provided. All other dismissals will be approved at the discretion of administration. If a same day emergency arises, the Parent/Guardian must come to school, sign the student out, and provide a note for documentation in the attendance files.

All students are expected to follow the sign-out protocol if they leave school before the end of the school day. Students who leave campus without authorization during the school day, will face disciplinary action.

Note: **No student will be dismissed without written notification and parent on file must be verified. No exceptions.**

**4. Automobiles & Parking**
- Students must meet all requirements
  - Complete an Application for Student Parking form
  - Be in good standing
  - Provide a copy of license, registration and insurance
• Sophomores with a valid reason for applying for a parking permit, and who have met all other requirements will be addressed on a case by case basis.

• Students must meet with Alan Kovacs (security) for a parking space assignment. Once they get the form signed and bring in all appropriate paperwork (registration, insurance, ID), they will be issued a parking tag. **You will only be allowed to park in your assigned spot!**

• Mr. Kovacs will check for parking availability. Preference will be given to seniors in good standing, student athletes and students on WBL.

• **The parking tag must be displayed in their windshield (hanging from the rearview mirror) at all times.** If the student drives a vehicle to school other than the one registered with Mr. Kovacs, they must immediately report this to security or administration after parking that morning.

• If someone parks in your assigned spot, please park in one of the open spaces in front of the building. Immediately report this to security upon entering the building. Be sure to tell Mr. Kovacs or Mr. Murphy the spot number, and the plate number or car make and model that is parked in your spot.

• **Student drivers must:**
  - Park only in their assigned spot
  - Abide by the 10 M.P.H. speed limit on campus
  - LOCK their car when leaving it (Ellis is not responsible for vehicles parked on campus)
  - Avoid driving RECKLESSLY in any manner that might endanger others
  - STOP FOR ANY SCHOOL BUS ON CAMPUS WITH ITS FLASHING LIGHTS ON

• Please note: all vehicles are subject to search and seizure while parked on the school grounds. It is a privilege for students to park on campus, administration holds the right to pull parking privileges for violations of school policies.

• Students MAY be subject to Town or State Violation tickets, arrest or having their car towed (at the student’s expense) if they violate parking regulations.

• In the case of inclement weather, students may leave only when the town they live in dismisses school. If a student does not wish to drive, they should take the bus. Alternative transportation for after school job is the parents’ responsibility.

***ELLIS TECH reserves the right to remove parking privileges due to a violation of ANY school policies.***

5. **Tobacco-Free Policy:**
   **Tobacco Use and Possession Prohibited:**
   No student, staff member or school visitor is permitted to use or possess any tobacco product at any time, including non-school hours (24/7):
   • in any building, facility, or vehicle owned, leased, rented or chartered by Ellis Tech
   • on any school grounds and property – including athletic fields and parking lots – owned leased, rented or chartered by Ellis Tech
   • at any school-sponsored or school-related event on-campus or off-campus.
   In addition, school district employees, school volunteers, contractors or other persons performing services on behalf of Ellis also are prohibited from using tobacco products at any time while on duty and in the presence of students, either on or off school grounds.
   Further, no student shall be permitted to possess a tobacco product while in any school building; while on school grounds or property; or at any school-sponsored or school-related event, or at any other time that students are under the authority of school personnel.
Tobacco products may be included in instructional or research activities in public school buildings, if the activity is conducted or supervised by the faculty member overseeing the instruction or research project, and the activity does not include smoking, chewing, or otherwise ingesting the tobacco product.

Definitions for this policy, the following terms have the following meanings:
1) “Electronic Smoking Device” means any electronic device, the use of which may resemble smoking, which can be used to deliver an inhaled dose of nicotine or other substances to the user. “Electronic Smoking Device” includes any such electronic smoking device, whether manufactured, distributed, marketed, or sold as an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen or any other product name or descriptor.
2) “Smoke or Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” also includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form.
3) “Tobacco Product” means:
   (a) Any product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff;
   (b) Any electronic smoking device that delivers nicotine or other substances to the person inhaling from the device, including, but not limited to an electronic cigarette, cigar, pipe, or hookah;
   (c) “tobacco product” includes any component, part, or accessory of a tobacco product.
4) “Tobacco use” means smoking, chewing, dipping, or any other use of tobacco products, including electronic smoking devices.

Enforcement for Students:
1. The first violation shall result in any or all of the following: confiscation of tobacco products, notification of parents, meeting, and assessment with substance abuse educator or designated staff, participation in tobacco education program, and offering student information about available cessation programs.
2. The second violation shall result in confiscation of tobacco products, notification of parents, and offering student information about available cessation programs, as well as any or all of the following: meeting and assessment with substance abuse educator or designated staff with parents or mandatory participation in a tobacco education program.
3. The third violation shall result in confiscation of tobacco products, notification of parents, and offering student information about available cessation programs, as well as one or more of the following: notification of police, meeting and assessment with substance abuse educator or designated staff, community service or suspension.

6. Backpacks

Students are asked to collect their materials for class each morning (notebooks, writing utensils, chrome books etc.) and place their backpacks in their assigned locker. Then they should report to their Homeroom. Students will have access to their lockers in passing times throughout the day. **Backpacks are not allowed in classrooms.**

7. Cafeteria

The cafeteria provides breakfast before school for a modest cost. Also, lunch periods are scheduled during the school day. Students should note their scheduled time to eat. During lunch a full meal is served at the posted price. Other items may be purchased separately. Students may bring their own lunch and obtain milk.

**All eating and drinking must be done in the cafeteria or MPR during lunch periods. At no time is any type of food or beverage, including coffee, to be taken out of the cafeteria or MPR or consumed or stored outside the cafeteria or MPR, with the exception of water.**

To help all students have more time to enjoy their lunch it is helpful to keep the lunch lines moving. All students should know and must enter their student ID numbers, whether paying in cash or using the Free or Reduced Lunch Program. Having the exact price for food or milk will also help speed the lunch lines along.

To ensure a clean and pleasant dining area, students are expected to clean up after themselves. The table and the surrounding area should be checked for items to be picked up so there is a clean spot for the next
person who will be using the table. Students who do not cooperate with instructors and cafeteria staff may be subject to disciplinary action. Food and items on the floor constitute a safety hazard.

8. Cancellation Announcements (Weather or Emergencies)

In the event that school is closed due to inclement weather, radio announcements will be made from approximately 6:30 AM to 8:00 AM. A Parent Square notification will also go out to parents and students. The following radio stations carry these announcements:

- WINY - Putnam 1350 AM
- WILI - Willimantic 98.3 FM

The following television stations also carry announcements:

- WVIT-Hartford channel 30
- WFSB -Hartford channel 3

Parents and students may also access a station’s website for school cancellation information.

9. Cell Phone Policy

Students are only permitted to use their cell phones in the hallway between classes and in the cafeteria.

Cell phone use in class is prohibited unless expressly allowed by the instructor for educational purposes. This includes phones that ring or make any sound during class time.

Students who make use of their cell phones in class without permission will be subject to disciplinary consequences for each offense (from the teacher, DH and/or Dean of Students).

Habitual offenders will be subject to progressive disciplinary consequences, including the cell phone being confiscated until a parent/legal guardian meets with administration for pick up.

We have provided lockers for every student, and we have provided a cell phone holder for every classroom, in an effort to minimize cell phone distraction to your student’s education.

In the event that you need to reach your student during school hours, we would appreciate you contacting the school at (860) 412-7571, not your student's cell phone.

10. Emergency Drills

Emergency drills are held at least once a month. During an Emergency Drill, all occupants of the building are required to leave in a quiet and orderly manner and assemble in designated areas. Homeroom Instructors will take attendance and immediately report missing students to an administrator or designee.

**NO ONE MAY REENTER THE BUILDING UNTIL THE RETURN SIGNAL IS SOUNDED.**

11. General Expenditures (Costs) for all Students

The following fees and materials are required for all students:

- Shop Uniform (Exploratory shirt for Grade 9)
- Appropriate gym uniform and sneakers
- Safety glasses and safety footwear, non-marking footwear
- Scientific Calculator (recommended: TI-30X-115)
- Academic uniform

The student should have the following classroom supplies in order to be prepared for the program of study in class:

- Wire-bound notebooks for each subject
- 3-ring loose leaf notebook 8 ½ by 11
- Paper and Writing Utensils
- Covers for Books
- Scientific Calculator
- Agenda Planner

Not all classes require the same supplies. Each instructor will advise a student about necessary purchases. Shops provide individual tool lists that students must have and timelines for their purchase. If a financial hardship prevents the purchase of tools or uniforms, the school social worker should be contacted to review the situation and determine if assistance is warranted. Limited funds may be available.

12. School Counseling

Adding or Dropping Courses
All requests to add or drop a course must be made through your school counselor. Requests must be made before the last day of the first cycle you are in the class.

School Counseling Appointment Procedures
Students should come to the School Counseling Office to schedule their appointments in advance: prior to homeroom, or by having an instructor telephone in advance for an appointment. Students will be given a pass from the School Counseling Office. No student will be admitted to School Counseling Office without a pass. Counselors may also contact students for a conference at various times during the school day.

Emergency situations may dictate waiving of these procedures.
Parents are urged to make appointments with the counselor when questions or concerns develop. The School Counseling Secretary will make the necessary arrangements. Any questions regarding your counselor may be directed to the School Counseling Secretary at (860) 412-7500, x7571.

13. Lockers

- No stickers, posters or ornaments of any type may be placed on any locker. We recommend that students do not bring valuables to school and keep it to just educational materials. (Ellis is not responsible for valuables that are lost or stolen)

- Please note: all lockers are subject to search and seizures.

14. Lost and Found

All articles found in the building should be brought to the SAIL Room. Inquiries about lost or missing items should be directed to the SAIL staff. All items not retrieved after a reasonable length of time will be donated to a charity or discarded.

15. Medical

Policy for Administration of Medications by Technical High School Personnel
State law requires doctor permission, as well as parental, for administration of non-aspirin pain relievers, i.e. Tylenol, Ibuprofen. Aspirin will not be given under any circumstances. No medication other than prescribed medications will be administered to students in the Connecticut Technical Education and Career System. Only medications prescribed by a written order of a physician or dentist licensed to practice medicine in Connecticut will be administered and there must be a written authorization by the student's parent or guardian.

The school nurse is responsible for the general supervision of administration of medications in the school. Prescribed medication is administered in compliance with the Connecticut Technical Education and Career System approved procedures and in accordance with regulations. Further information regarding these policies and/or procedures is available from the School Health Office at (860)412-7500, x7572.

Prescription Drugs
Students who must take prescription drugs during school time must do so under the supervision of the school nurse. Connecticut State Law Public Act No. 723 requires a physician’s written order and a parent or guardian’s authorization for the school nurse to administer any medication. All necessary forms are available from the School Nurse. All prescription medications must be in a properly labeled pharmacy container. This includes inhalers and Epi-pens.

**Driving another student home**
Under no circumstances will any student be allowed to drive any other Ellis Tech student home during the normal school day. Students who are released will remain in the Health Office until a parent/guardian or responsible person designated by the parent/guardian sign them out of school directly from the Health Office.

**Reporting an illness**
- Parents/guardians should call the school’s attendance line to report illnesses and absences.
- Parents/guardians can also use Ellis.Dean@cttech.org
- If a student is ill at school, they need to report to the school nurse and the school nurse will contact parent/guardian to determine if dismissal is appropriate.

**Accidents**
If the accident occurred at the school, an incident form will be completed and forwarded immediately to the insurance company.

If an accident occurred away from the school grounds and the student was not engaged in a school-sponsored activity and the student has 24-hour coverage, the parent or guardian or claimant (if adult) will complete this form.

The same will hold true if the student is under the school-plan only and suffers an accident while traveling directly and uninterruptedly to or from his home premises and the school for regular school sessions.

Under no circumstances is the school to be billed by hospitals, doctors, or others rendering services for treatment of injuries sustained. Bills are to be sent to the parents of the injured or claimant (if adult). Such bills and any future correspondence regarding a claim are henceforth a matter between the insurance company and the claimant. Any bills made out to the school for such services as mentioned, will be returned to the doctor, hospital or other rendering services.

**16. Operations and Maintenance (Building)**

**Asbestos Management Plan (AMP) (7/31/14)**
In accordance with 19a-333-1 thru 13, “Asbestos Containing Materials in Schools”, we are required to inform you that asbestos containing materials have been identified in various areas of the school, primarily in maintenance areas not accessible to students. Much of the material has been removed. What remains is included in an Operations and Maintenance (O&M) Program. This program is designed to prevent asbestos fiber release through proper cleaning, maintenance, and repair. The O&M Program will remain in effect until all ACBM is removed from the buildings.

The buildings are inspected every six (6) months to determine any changes in the conditions of the materials. Additionally, the buildings are thoroughly re-inspected every three years by licensed asbestos inspectors following the same basic criteria as the original inspection.

The H. H. Ellis CTECS maintains in its MAIN OFFICE a complete updated copy of the AMP. It is available during business hours for inspection. The Designated Person for the Asbestos Program is John Woodmansee, and can be contacted at (860) 807-2233.

**17. PFO**
In the CTECS District Student/Parent Handbook for the 2021-2022 school year, the PFO (Parent-Faculty Organization) form indicates an annual dues fee.

**PLEASE NOTE:** The Ellis PFO does not charge a fee for membership. Although you do need to complete and return the form, **MEMBERSHIP IS FREE!**
18. Photo/Media Release

A student’s photograph may be used in promotional literature and publicity activities. Parents who decline are opting not to have their student’s photograph used for promotional purposes and publicity activities. Please note that your student’s photograph would only be used for CTECS promotional literature and publicity activities. It will not be used for any commercial purposes whatsoever.

19. Report Cards

Report Cards will be issued four times throughout the academic year.

20. Shop Uniforms & Tools

Students are required to wear the designated uniform during the trade cycle, as well as work boots and safety glasses. Uniform shirts should not have any writing, graffiti, and markings or be torn (including sleeves). Additionally, torn or ripped jeans or trousers may present a safety problem and are not to be worn in trade areas. It is strongly recommended to buy non-marking boots and students should wear sneakers or shoes on the academic cycles.

NOTE: Tools are the student’s responsibility and should always be taken care of by the student. When not being used, tools should be locked up. We recommend that students mark their tools to easily identify them. Additionally, knives are not allowed on campus. *Please see the approved tool list for your student’s shop approved tools. *Culinary has a knife kit which is part of the approved tools for the culinary curriculum.

21. Senior Release

H.H. Ellis Technical High School has a policy whereby seniors who are in good standing may be excused from seventh period Academic Access during their academic cycle. Please review the senior release policy to see how one would qualify. Please read below for some important information regarding senior release.

- **Exit**: Students MUST leave the building and school grounds in an orderly manner upon dismissal through the main entrance unless otherwise directed by school officials. Seniors will sign out using the Chromebooks on the table in front of the guidance office. Failure to leave as previously directed may result in the loss of this privilege. If a senior chooses not to take Senior release, their only option is to report to the Senior Academic Access, they will not be allowed to wander the halls or visit shops, etc.
- **Privilege**: Early dismissal is a privilege, not a right. It is in the best interest of all seniors to do whatever they can to ensure its smooth operation. The Principal and Assistant Principals retain the right to withdraw the privilege at any time without prior notice for any violation of the educational, disciplinary, and/or attendance policies and regulations of H.H. Ellis Technical High School.

22. Student Assistance Team

Referral may be made through any faculty member or directly to the SAT Coordinator, Mrs. Jessica Bibeau, at (860)-412-7510.

23. Signatures

All permission slips, excused absence notices, requests for early dismissal, and other school-related documents should be signed by a parent or court-appointed guardian.
24. Student Areas Before School and Academic Lunch

The areas where students are authorized to congregate are:

Before school,
- Students in academic classes will report to the cafeteria or the MPR if they are eating breakfast
  - Students in academic classes will report to the gym if they are not having breakfast;
- Students in trade classes will report to their shop classroom.

During lunch periods,
- Students will be assigned to the MPR or the cafeteria for lunch. (either the MPR or cafeteria)

25. Statement of Philosophy and Goals

Harvard H. Ellis Technical High School

Statement of Philosophy

At H. H. Ellis Technical High School, student success is achieved through the shared commitment to providing a safe and nurturing learning environment that is dedicated to the pursuit of educational excellence. Students are encouraged to work to their potential as they prepare to become outstanding citizens equipped with 21st century skills.

Statement of Goals

- To empower students to be responsible and independent learners by challenging them to: Think, Investigate, Discover
- To provide students multiple opportunities to lead and succeed.
- To implement differentiated instructional practices and assessments to support individual needs.
- To create an atmosphere of mutual respect, support, and cooperation among all members of the school community and to build positive connections between students and staff.
- To model and promote a safe, orderly, disciplined, and drug-free environment, in which behavioral expectations are clearly defined and consistently enforced.
- To collaborate with business, industry, and community leaders to explore 21st century technology in order to prepare students to compete in career and post-secondary education.
- To promote extra-curricular and co-curricular activities that support leadership, team building, and enhance each student’s sense of self.
- To provide students with culturally enriching experiences and exposure to diversity, and to foster an attitude of tolerance and an appreciation of the differences among people.
- To implement and encourage professional development programs which support individual, team, school and system goals.
- To model and support safe work practices and wellness habits for a healthy lifestyle.

9/9/2010

Harvard H. Ellis Technical High School

Nuestra Filosofía

En H. H. Ellis Technical High School alcanzamos el éxito estudiantil compartiendo el compromiso de brindar un ambiente educativo seguro y acogedor cuya finalidad es obtener la excelencia académica. Alentamos a los estudiantes a trabajar a su máximo potencial a medida que se preparan para convertirse en ciudadanos excepcionales equipados con habilidades del siglo XXI.
Nuestros Objetivos

- Capacitar a los estudiantes para que sean alumnos responsables e independientes, desafiándolos a:
  - Pensar
  - Investigar
  - Descubrir
- Brindar a los estudiantes múltiples oportunidades para triunfar y liderar.
- Implementar pedagogías y evaluaciones diferenciales para apoyar las necesidades individuales.
- Crear un ambiente de respeto mutuo, apoyo y cooperación entre todos los miembros de la comunidad escolar y fomentar conexiones positivas entre los estudiantes y el personal.
- Modelar y fomentar un ambiente seguro, ordenado, disciplinado y libre de drogas, en el cual las expectativas de comportamiento estén claramente definidas y se hagan respetar con consistencia.
- Colaborar con negocios, empresas y líderes comunitarios para explorar la tecnología del siglo XXI con el fin de preparar a los estudiantes para competir en trayectorias profesionales y para la educación superior.
- Fomentar actividades extracurriculares y complementarias que apoyen el liderazgo y la cooperación en equipo, mientras a la vez mejoren el sentido de sí mismo de cada estudiante.
- Brindar a los estudiantes experiencias culturales enriquecedoras, exponerlos a la diversidad y promover una actitud de tolerancia y aprecio de las diferencias entre las personas.
- Implementar y alentar programas de desarrollo profesional que apoyen objetivos individuales, colectivos, académicos y del sistema.
- Modelar y apoyar prácticas de trabajo seguras y hábitos de bienestar para un estilo de vida saludable.

26. Student Activities

Student Officers

Students running for any school office must be passing all subjects. Final approval rests solely with the administration in consultation with the teaching staff and guidance. A negative or serious discipline record will preclude a student from running for office.

Student Council

The Student Council is operated under the theory that students gain much from conducting a representative government of their own. The Student Council regulates the spending of monies from the activity fund, coordinates student activities and promotes sensible policies for student behavior. The Constitution of the Student Council will be posted in the Library Media Center.

Class Organizations

Each class operates under officers selected by the members of the class. Meetings of class representatives are held regularly to conduct business and to plan various class projects and social affairs. The treasurer and secretary are expected to keep accurate records and submit copies to the office.

National Honor Society

The school chapter of the National Honor Society is named after former director (principal) Henry Burgess. Students who show evidence of outstanding scholarship, leadership, character, and service are eligible for election to this group. To be eligible scholastically a student must have an average of 85 for Grade 11 & 12 and an average of 90 for Grade 10. Membership in this organization is one of the highest honors a secondary school student can achieve.

Varsity Sports

The varsity sports program offers students the opportunity to participate in various athletic contests with other schools. Students from all classes are eligible to try out for varsity sports provided they meet CIAC, district, and school eligibility requirements. When possible, junior varsity team schedules are arranged. Varsity teams are organized in basketball, baseball, cross-country, football, golf, soccer, softball, track, volleyball and wrestling.

Skills USA

All students are eligible to participate in Skills USA. Club members compete in their trade and/or in leadership skills at a state conference annually.

Ski Club
Any student may join the Ski Club, which during the winter months makes weekly after-school trips to local ski areas, weather permitting.

**Simulation Club**

Members meet weekly to compete with each other in games simulating historic events.

**Yearbook**

Juniors and seniors volunteer their time to produce their class yearbook.

*These are some of the activities Ellis Tech offers its students. Other clubs or teams may be formed with approval from the administration and/or student council.*

### 27. Student IDs

As stated in the CTECS Student/Parent Handbook 2021-2022, students are provided with picture identification cards (Student IDs). **Students are required to carry these IDs on them at all times. If they are asked by a staff member to show their ID, they MUST provide it.**

It is the student’s responsibility to care for these Student IDs. They are not to be defaced, cut up, or misused in any manner; doing so will result in disciplinary action. Lost IDs may be replaced in the Business Office for a fee of $3.00.

*If the student violates the ID Protocol, the school will follow a progressive discipline model of consequences.*

Students will report to the Dean of Students and will be issued the following consequences:

**Consequences:**
- First Offense: Warning, phone call or email home.
- Second Offense: One after school detention
- Third Offense: Two after school detentions
- Fourth Offense: Up to 90 minutes of SAIL Time
- Subsequent Offenses: Referral to administration

### 28. Trade Programs, Uniforms and Approved Tools

#### Automotive

Department Head: Chris Sullivan  
Instructor: Stefan Zurowski

**Electronics Technology**
Department Head: Mr. DePietro
Instructor: vacant

**Uniform**
**Grades 9-12**
All students enrolled in the Electronics Technology Department are required to have shop uniforms. The uniform for grades 9, 10, 11, and 12 will consist of the following:

**Shop uniforms (shirts, pants, belt and work shoes) are a requirement for all students in shop, every day, all day.** This will include the embroidered black Dickies™ shop shirt and/or the approved logo sweatshirt and a Dickies™ work pant along with a black belt and work shoe made of leather (no sneakers), have non-marking soles, and black or natural tan in color. Uniforms are available from our Ellis website banner Uniforms Link or from the direct link below.

http://www.darterschools.com/ellistech/trades/electronics.htm

**NOTE**

If you are unable to purchase through the site, please call them to make other ordering arrangements at 1-203-699-9805. The Dickie pants and black belt, can be purchased from other locations if desired, although, the pants need to be the same style, as those offered on the site.

**Tool List Grades 9-12**

All students are expected to have trade related tools for trade technologies. There are local and Internet sources for the tools on the list. The recommended tool list is as follows. Any modifications or other accommodations to the recommended tools will be communicated during the school year.

**Description:**

Department Head: Domenick Zipoli
Instructor: Lisa Anniello
Contact Number: 860-412-7580
Contact Number: 860-412-7540

Uniform
Grades 9-12

1. A complete uniform along with an ID badge should be worn at all times while participating in shop and class. This uniform will be worn to lunch and all school activities such as class meetings, assemblies, etc.

   a. Uniform smock – clean, zipped all the way up or buttoned to 2nd button at all times, including during pull out classes, lunches and assemblies.

   b. Black or white pants only. Black jeans are allowed as long as they are TRUE BLACK AND NOT FADED. (Sweat and wind pants, along with tights and leggings are not allowed). Pants should be worn above hips and not hanging below the waistline. A white or black short or long sleeve crew tee shirt (three fingers from bottom of neck) without any writing or pictures is acceptable for students to wear underneath their smocks. Hooded sweatshirts and “hoodies” will not be acceptable during practical work because it is unprofessional and creates safety issues. Failure to comply with shop uniform policy will result in a deduction of points in daily practical grade along with possible disciplinary action.

   c. Footwear should be comfortable and protective. Sneakers would be advisable. Open toe, open back, slipper/moccasin shoes/boots are not acceptable. These shoes are not up to OSHA standards. Any student in violation of footwear policy will need to make the appropriate accommodations in order to participate in shop activities. Points will be deducted from grade.

   d. Changing out of uniform is not allowed during school day.

Tool List
Grades 9-12

Sustainable Architecture

Department Head: Marilyn Ackerman Contact Number 860-412-7502
Instructor: Cherie Green Contact Number 860-412-7801

Uniform

Grades 9-12

All students enrolled in the department are required to have new shop uniforms. The uniform will consist of new polo shirts, with a long and short sleeve option, can be in navy or dark gray, but must say Sustainable Architecture, above the pocket area. Lettering can be in white or black. No hooded sweatshirts are allowed. A crewneck sweatshirt can also be ordered through Danielson Surplus with the shop name. We also added a fleece vest and jacket in navy with the shop logo and a gray or navy crewneck sweatshirt, with the shop name. We recommend ordering at least 2 shirts with 3 being the preferable amount. Students will also be required to wear, clean jeans/ black pants or khaki work pants.

The Shop uniforms can be ordered through:
Danielson Surplus Sales
151 Main St.
Danielson, CT 06239
Tool list
Grades 9-12

Most students are expected to purchase related tools for trade technologies; Sustainable Architecture has no extensive tool list. Most tools are provided. Therefore, we request that all students do their best to have the most professional attire possible and that the shop name is always visible. Students are required to have flash drives, portfolio folders, and a small journal. During the Exploratory process, they will need Safety (work) boots and safety glasses. Please review the list with your son/daughter to make sure they have what is required.

29. Visitors

Student visitors are allowed with prior written permission from their parents, the visitor’s school, permission from our Guidance Office and the Administration of Ellis Tech. A medical form must also be completed and submitted to our School Nurse. Student visitors must have an application on file for admission with our Guidance Department before the time of the scheduled visit.

On the morning that the visitor arrives, the visitor MUST sign in at the main office to obtain a visitor’s pass. NOTE: STUDENT VISITORS ARE NOT ALLOWED TO BRING CHILDREN TO VISIT THE SCHOOL OR STAFF DURING SCHOOL HOURS.

The Ellis Tech Student/Parent Handbook additions represent our collective effort to set parameters which will create an atmosphere of safety and respect, which are our primary concerns. We believe all students, faculty, staff, and parents should feel safe and respected when they enter our school as well as throughout the day.

We have excellent professional and support staff who are dedicated to the success of our students. We also have wonderful students who care about each other, and rise to the challenge of balancing the dual demands of our academic and technology curriculums.

If you have questions about any of the rules, please contact any administrator or staff member. We will be happy to assist you.
