HARVARD H. ELLIS TECHNICAL HIGH SCHOOL

CAREER & COLLEGE READY!

AT ELLIS TECH

We believe that all students can learn and succeed. We understand that all students learn at different rates and in different ways. Therefore, differentiated instruction is at the heart of our education model. The talented academic and career technology educators at Ellis Tech understand the importance and significance of developing positive, educational relationships with their students and establishing high expectations for all, which are specific to each student's unique needs. We assist and encourage each one of our students to be successful.
