## Introduction to the Asphalt Technician Industry

Thursday, January 18th ~ 12:30 p.m. - 2:00 p.m.

Join us for an introductory webinar on the Connecticut Pre-Apprenticeship High School Training Program's Asphalt Technician Industry. The purpose of the program is to introduce high school seniors to careers in the asphalt quality control technician industry through classroom instruction, hands on activities and possible field trips.

Visit our website, [www.ctpahstp.com](http://www.ctpahstp.com) and select "Asphalt Program" and then students should fill out the "2 Hour Introductory Webinar Registration" to attend.

**SCAN ME**

Please scan the code or visit [www.ctpahstp.com](http://www.ctpahstp.com) and click the "Asphalt Program" tab

This program is funded by the Connecticut Department of Transportation. Instruction will be by Connecticut Transportation Institute, School of Engineering, University of Connecticut and the New England Laborers' Union.
