H. H. ELLIS TECHNICAL HIGH SCHOOL

2024-2025 Handbook Additions

1. Uniform Policy

All Connecticut Technical High Schools, including Ellis Tech, have a mandatory uniform policy approved by the Board of Education. This uniform policy supersedes the dress code policy in the Connecticut Technical Education and Career System, Student-Parent handbook. A dress code has been found to have a positive effect on school pride, student identity, and safety. Following the school uniform is practice for your future job and setting the stage for your success. Most jobs have some sort of uniform or dress code, especially in the trades. Graduates all agree that dress code compliance gave them an edge over their peers.

Uniform compliance is a focus area for the Superintendent this year. as it helps prepare students for the workforce.

Summary: In the end, this is not complicated. During the academic cycle, if you are wearing an Ellis Tech polo shirt, a pair of khaki style pants, in black, navy blue, or khaki color and sneakers you are “in uniform.”

Academic Uniform Policy

Our expectation is that all students will arrive at school each day in their school uniform and remain in uniform until dismissal at 2:10 pm. There is a specific uniform for academics and a separate uniform for ninth grade exploratory, trade, and gym class.

- **Hats should be kept in student lockers at all times.**
- **ABSOLUTELY NO RIPPED, TORN CLOTHING OR CLOTHING WITH HOLES WILL BE PERMITTED AT ANY TIME INCLUDING FREE DRESS DAYS.**
- **Shirts, hats, belts etc. with LOGOS OR OTHER INSIGNIA are NOT ALLOWED.**

Academic Shirts:

During the academic cycle, all students in grades 9-12, are required to wear Ellis Tech uniform dress shirts or polo shirts. These shirts are only available through our approved vendor [Darter Specialties](#) in black, navy blue, and white colors. The shirts are available in long and short sleeves. Click the link to see the [Academic Shirts](#). **T-shirts, including those with the Ellis logo, are NOT ALLOWED, except on dress down days or spirit day events.**

Academic Pants:

Casual pants or walking length shorts (e.g., Dockers, Dickies) in navy blue, black, or khaki solid color. Students may wear skirts (no more than 2 inches above the knee), Capri pants and leggings in the approved colors. Pants/skirts may be purchased from [Darter Specialties](#) or any store (e.g. Walmart, Kohl's, Goodwill, etc) or from an online vendor. **Black leggings** are allowed, provided they are not too revealing or tight-fitting. **Jeans in academics and sweatpants are not approved.**

Footwear, during academics:

Sneakers are an easy choice. Footwear that damages or marks floors or that is a safety hazard, including backless shoes, flip-flops and toeless shoes, crocs, heeies or slippers are not allowed.

OuterWear:

By Board of Education policy, all coats, jackets, or other attire normally worn as outerwear, are prohibited from wear during the school day and should be placed in lockers until the end of the school day. Ellis Tech branded fleece tops, vests, sweaters, sweatshirts are approved to be worn during the academic cycle. Students choosing to wear a Ellis Tech outerwear item are still required to wear a Ellis Tech academic uniform shirt underneath. **THEY MUST BE ELLIS COLORS- white, black, blue or YELLOW.** School approved outerwear must have the Ellis Tech logo clearly visible. Outerwear may be purchased from [Darter Specialties](#). Click here to see examples of [Ellis Tech Outerwear](#).

- Hoods must be **down off the head while in the building.** This is for safety. **Again, THEY MUST BE ELLIS COLORS- white, black, blue or YELLOW**
- Trade specific outerwear (sweatshirts, jackets) may only be worn in the trade cycle.

Gym Uniform:

All Ellis Tech students are required to wear a gym uniform during gym class. Gym clothing may only be worn in gym class, not in academic classes. This uniform may be purchased from our clothing vendor [Darter Specialties](#). Click here to see the [Gym Uniform](#).

Exploratory Uniform:

Ninth grade students are required to purchase and wear an exploratory T-shirt. Students must wear jeans and work boots in all shops. **Ripped jeans are not permitted in exploratory.** Jeans may be purchased from any retail store. The exploratory T-shirt must be purchased from our clothing vendor [Darter Specialties](#). Click here to see the [Exploratory Uniform](#).

The exploratory uniform is appropriate for wear throughout the ninth grade when in the trade cycle. Although some ninth grade students choose to buy the associated shop uniform once they are in their permanent shop, they are not required to buy the shop uniform until 10th grade.

Career/Technical Education Uniform:

Each trade will send home a detailed uniform policy unique to each shop. Trade uniforms, including trade outerwear (sweatshirts, jackets), may not be worn during the academic cycle.

- **Hats, if worn in the shop, are NOT ALLOWED out of the shop.** They should be removed before going into the hallway, the cafeteria etc.
- **Hooded sweatshirts are NOT ALLOWED** in shops.

Uniform Violation Protocol

When students are in violation of our uniform policy, our goal is to bring them into compliance as quickly as possible with a minimum amount of lost instructional time. The easiest way to do this is for the student to borrow the necessary item from the school. All loaner items are washed after each use.

Please note - school uniforms are not an "Ellis Tech thing." They are required in all Connecticut Technical High Schools by Board of Education policy.

Teachers will send uniform violators directly to the SAIL instructor at the end of the class period and the following consequences will be assigned:

- 1st violation --- conference with student, contact home and student will "borrow" a uniform
- 2nd violation --- conference with student, contact home, and one administrative detention and student will "borrow" a uniform
- 3rd violation --- conference with student, contact home, and two administrative detentions and student will "borrow" a uniform

- 4th violation and subsequent — conference with student, contact home, two administrative detentions and referral to administration and / or parent conference and student will “borrow” a uniform

Subsequent offenses will be subject to progressive disciplinary consequences.

If a student refuses to wear a borrowed uniform, the parent will be asked to **bring a uniform** or **take the student home**. Students will not be allowed to stay out of uniform.

2. Assemblies

Assembly programs are carefully selected for their positive educational value. Students are expected to conduct themselves in a proper and sensible manner. Any student who is disruptive will be removed from the assembly and disciplinary action will be taken. Unacceptable behaviors include, but are not limited to: making inappropriate noises, shouting, whistling, etc., leaving the area without permission of a teacher, and eating or drinking.

Athletic Events

As a spectator at a school-related athletic event, a student is a representative of the school. The playing field should be thought of as an extension of the classroom and the student should abide by the following guidelines:

- Show respect for all participants and officials at all times, including opposing players and cheerleaders.
- Show a positive attitude in cheering, refraining from intimidating or negative cheering. Good sportsmanship is cheering your own team to victory.

Anyone found in violation of the following undesirable actions may be asked to leave the event:

1. Use of obscene or abusive language.
2. Use of noisemakers.
3. Throwing objects.
4. Being on the premises of the scheduled contest while under the influence of alcohol or drugs.

Graduation Ceremonies

The graduation ceremony is considered an assembly. All eligible students are expected to participate in graduation. Students and guests are expected to conduct themselves with dignity in accordance with the guidelines specified under assemblies.

3. Attendance

The student's record of attendance, including absences and tardiness, is one of the more important items to appear on the total school record. It informs the future employer about the student's health, attitude toward work, responsibility, and habits of punctuality. In addition to potential employers, schools, government, the armed forces, and others, will make inquiries as to the student's attendance records for years to come. Therefore, the student should establish early habits of regular attendance and punctuality, and maintain them throughout his or her years at Ellis Tech.

Parents are allowed to excuse student absences for a limited number of days throughout the year, with written & signed documentation. Notification will be sent once the limit is reached.

- To be eligible for a Perfect Attendance Award Certificate, a student's attendance must be “perfect” – **no tardies or early dismissal or absences for any reason**. This includes excused absences and excused tardies. The award will not be presented until the last day of school to ensure that the attendance is perfect for the entire school year.

IF your child is going to be absent, late or leave early, you MUST use EMAIL- ellis.attendance@cttech.org

We no longer have an attendance line.

Calling students out does not excuse students for the day. Please send written & signed documentation to the Dean of Students at ellis.attendance@cttech.org, to excuse absences within 2 school days. Medical notes can be faxed to the school nurse at 860-779-7832.

Missed Work

Students are responsible for missed schoolwork during their absence from school. Circumstances may allow for prior special arrangements to be made, but permission must be obtained from the instructor for extended time. Special arrangements should be limited to situations when the Guidance Department and the Department Heads feel it is necessary. Students not making up work will receive a zero. If the cycle changes, students must contact their previous cycle instructor(s) to obtain missed schoolwork.

STUDENTS WHO ARE SUSPENDED ARE RESPONSIBLE FOR MAKING UP ALL ASSIGNMENTS. If the suspension period is five or more days, parents are encouraged to contact the School Counseling Office for assignments.

Tardy Policy

The first 9 tardies can be excused for any reason with an email/note submitted to the attendance email (ellis.attendance@cttech.org) via the main office. Students can be excused from the first 9 tardies for any reason with a note from their parent/guardian and subsequent tardies are subject to the same reasons as absences and of course admin/DOS discretion. If there are extenuating circumstances, please email the dean to discuss your situation.

Early Dismissal Policy

Early Dismissal Generally, all requests for early dismissal should be in writing and submitted twenty-four (24) hours in advance. The student should submit the note/email (ellis.attendance@cttech.org) prior to the end of homeroom the day before the planned early dismissal. A phone number where a parent may be reached must be provided, as well as the pick-up time and the name of the person providing your child transportation that day. **STUDENTS CANNOT DRIVE ONE ANOTHER WITHOUT THE WRITTEN PERMISSION OF BOTH STUDENT'S PARENTS/GUARDIANS.** All other dismissals will be approved at the discretion of administration. If a same day emergency arises, the Parent/Guardian must come to school, sign the student out, and provide a note for documentation in the attendance files. All students are expected to follow the sign-out protocol if they leave school before the end of the school day. Students who leave campus without authorization during the school day, will face disciplinary action. Note: No student will be dismissed without written notification and parent signature on file must be verified. No exceptions. 4. Automobiles & Parking

4. Automobiles & Parking

Ellis Tech Parking Protocols 2025-26

Due to the limited parking, we have established a scoring matrix based upon a questionnaire (google link sent out via ParentSquare, as well as attached below) to determine a fair and impartial method of determining which students are issued a parking pass and which students will be placed on a waiting list.

*****Rising seniors (current juniors) who already have a parking spot and remain in good standing will be allowed to retain a parking spot for next year. They will need to follow the instructions sent via ParentSquare- which will include ensuring that all required***

documentation is updated. (if you already filled out the application this year, you DO NOT need to do this again) Your parking spot number may be moved, however.

For NEW applicants:

- **Steps to take: (Students must meet ALL requirements to qualify for a parking tag)**
 - Complete an [Application for Student Parking form](#) (via Google) **(if you already filled out the application this year, you DO NOT need to do this again)**
 - Be in good standing (academic/behavior/attendance)
 - Provide a copy of license, registration and insurance
 - Send quality pictures of these documents to the following email address:
ellis.parking@cttech.org
 - During the school year, a security officer will be the primary person helping to assign spots. He will be working with administration and the SRO on assignments.
- **The parking tag must be displayed in the windshield** (hanging from the rearview mirror) **at all times**. If the student drives a vehicle to school **other than the one registered with security**, they must immediately **report this to security** or administration after parking that morning.
- **Students who are awarded a parking spot must notify administration or security** if there are **any CHANGES** to their driving status, **including but not limited to: no longer driving to school, changes in driving frequency, or if their registered vehicle becomes non-operational.**
- **Student drivers must:**
 - Enter the building as soon as they arrive through the **MAIN DOOR** - no loitering in the car or the parking lot. Please report to assigned areas in the building (cafeteria for those eating breakfast, MPR or the front lobby area for those not eating breakfast.) No students can go into the trade or academic wings until 7:15 a.m.
 - For selected, privileged student parking that is assigned to the SOUTH lot, students will need to walk around the building to enter through the main entrance as well.
 - Abide by the 10 M.P.H. speed limit on campus
 - LOCK their car when leaving it (Ellis is not responsible for vehicles parked on campus)
 - **Do not loiter** before or after school/no honking or revving of engines
 - When leaving in the afternoon, **students must wait for buses to pull out first!**
 - For selected, privileged student parking that is assigned to the SOUTH lot, students may leave **prior** to buses leaving.
 - Do not drive RECKLESSLY in any manner that might endanger others
 - **STOP FOR ANY SCHOOL BUS ON CAMPUS WITH ITS FLASHING LIGHTS ON**
- Please note: All vehicles are subject to search and seizure while parked on the school grounds. Vehicles may be searched if there is a reasonable suspicion that school rules have been violated.
- It is a privilege for students to park on campus, administration holds the right to suspend parking privileges for violations of school policies.
- Students MAY be subject to Town or State Violation tickets, arrest or having their car towed (at the student's expense) if they violate motor vehicle regulations.

- In the case of inclement weather, students may leave only when the town they live in dismisses school. If a student does not wish to drive, they should take the bus. Alternative transportation for an after school job is the parents' responsibility.
- *****ELLIS TECH reserves the right to remove parking privileges due to a violation of ANY school policies.**

School Drop-Off and Pick-up for Ellis Tech:

(Please refer to the [attached maps](#) of the school for the traffic flow patterns)

Morning Drop-Off:

- **Buses:** Buses will enter using the south lot and proceed in single file around the back of the building. They will pull around the front of the school and use the designated bus drop off zone directly in front of the school (inner loop). Students will be dropped off in front of the main doors, and buses will exit out the north lot entrance.
- **Parents:** Parents will enter the south lot and proceed single file around the back of the building. They will let their students out by the median (pull straight ahead when coming around the front of the building. Do NOT follow the buses into the inner loop). Students will use the crosswalks, and enter the building through the main doors.
- **Student Drivers:** Most student drivers will enter using the NORTH lot, and turn right into the north lot assigned parking. Find your assigned spot and use the crosswalks to enter the building through the main doors. The selected students using the SOUTH lot will enter using the south lot, and turn left into the south parking lot. Find your assigned spot and walk around to the front of the building to enter through the main doors.

Afternoon Pick-ups:

- **Buses:** Buses will enter using the south lot and proceed in single file around the back of the building. Buses will line up according to the map, along the inner loop, along the median and in single file back by the gym area. There will be staff available in the first few days to assist in finding a parking spot. Please note that the traffic flow pattern is intended to leave a free lane open for emergency vehicles.
- **Parents:** Parents will enter using the NORTH lot and turn right into the student parking lot and line up single file. Please wait for buses to exit before making your way out of the parking lot. (this is not new this year).
- **Student Drivers:** Student drivers in the NORTH lot must wait for buses to exit before leaving the parking area. Please follow directions from the staff assisting with the afternoon pick-ups, and do not rev your engines or pull out before buses have departed. Please note that any such conduct may result in parking privileges being revoked. Students assigned to the SOUTH lot are allowed to exit BEFORE buses leave, by turning right out of the parking lot and exiting out of the south parking lot entrance. This is privileged parking.

5. Tobacco-Free Policy:

Tobacco Use and Possession Prohibited:

No student, staff member or school visitor is permitted to use or possess any tobacco product at any time, including non-school hours (24/7):

- in any building, facility, or vehicle owned, leased, rented or chartered by Ellis Tech
- on any school grounds and property – including athletic fields and parking lots – owned leased, rented or chartered by Ellis Tech
- at any school-sponsored or school-related event on-campus or off-campus.

In addition, school district employees, school volunteers, contractors or other persons performing services on behalf of Ellis also are prohibited from using tobacco products at any time while on duty and in the presence

of students, either on or off school grounds.

Further, no student shall be permitted to possess a tobacco product while in any school building; while on school grounds or property; or at any school-sponsored or school-related event, or at any other time that students are under the authority of school personnel.

Tobacco products may be included in instructional or research activities in public school buildings, if the activity is conducted or supervised by the faculty member overseeing the instruction or research project, and the activity does not include smoking, chewing, or otherwise ingesting the tobacco product

Definitions for this policy, the following terms have the following meanings:

- 1) "Electronic Smoking Device" means any electronic device, the use of which may resemble smoking, which can be used to deliver an inhaled dose of nicotine or other substances to the user. "Electronic Smoking Device" includes any such electronic smoking device, whether manufactured, distributed, marketed, or sold as an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen or any other product name or descriptor.
- 2) "Smoke or Smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form. "Smoking" also includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form.
- 3) "Tobacco Product" means:
 - (a) Any product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff;
 - (b) Any electronic smoking device that delivers nicotine or other substances to the person inhaling from the device, including, but not limited to an electronic cigarette, cigar, pipe, or hookah;
 - (c) "tobacco product" includes any component, part, or accessory of a tobacco product.
- 4) "Tobacco use" means smoking, chewing, dipping, or any other use of tobacco products, including electronic smoking devices.

Progressive discipline policy:

For nicotine vapes:

- **First offense:** Vape gets confiscated, notification to parents, student participation in the vaping education program (about 1 hr. session)
- **Second offense:** Vape gets confiscated, notification to parents, SAIL/detention or ISS (can range from 60/90 minutes SAIL, 2 detentions or a day of ISS)- at administrative discretion
- **Third offense:** Vape gets confiscated, notification to parents, 1-2 days ISS
- **Beyond three:** Vape gets confiscated, notification to parents, 3+ days ISS, referral to services (SAT, JRB, ticket etc.

6. Backpacks

Students are asked to collect their materials for class each morning (notebooks, writing utensils, chrome books etc.) and place their backpacks in their assigned locker. Then they should report to their Homeroom. Students will have access to their lockers in passing times throughout the day. **Backpacks are not allowed in classrooms.**

7. Cafeteria

The cafeteria provides breakfast before school for free this year. Also, lunch periods are scheduled during the school day. Students should note their scheduled time to eat. During lunch a full meal is served at no cost.

To help all students have more time to enjoy their lunch it is helpful to keep the lunch lines moving. All students should have their ID at all times!

To ensure a clean and pleasant dining area, students are expected to clean up after themselves. The table and the surrounding area should be checked for items to be picked up so there is a clean spot for the next person who will be using the table. Students who do not cooperate with instructors and cafeteria staff may be subject to disciplinary action. Food and items on the floor constitute a safety hazard.

8. Cancellation Announcements (Weather or Emergencies)

In the event that school is closed due to inclement weather, radio announcements will be made from approximately 6:30 AM to 8:00 AM. A Parent Square notification will also go out to parents and students.

The following radio stations carry these announcements:

WINY - Putnam 1350 AM

WILI - Willimantic 98.3 FM

The following television stations also carry announcements:

WVIT-Hartford channel 30

WFSB -Hartford channel 3

Parents and students may also access a station's website for school cancellation information.

9. Cell Phone Policy

The implementation of the new cell phone policy at Ellis Tech High School for the 2025-2026 school year is designed to foster a more productive and distraction-free learning environment. As students prepare for this transition, it is important to establish some guidelines and strategies that can help ensure the policy is effective and well-received. **CELL PHONES WILL REMAIN "AWAY FOR THE DAY" in lockers from 7:15-2:10.**

Key Aspects of the Cell Phone Policy

1. Locker Responsibility:

- ❖ Students must ensure their lockers are organized, secure, and used appropriately. This means students should avoid overstuffing their lockers, keep them closed to prevent theft, and regularly maintain their assigned space.

2. Practice Period:

- ❖ Beginning over the summer, students are encouraged to practice designated periods of phone-free time. This can help in adjusting to the new policy, allowing students to become accustomed to managing their time without the constant urge to check their devices.

3. Parental Involvement:

- ❖ Parents are encouraged to support their children in adhering to the new policy by discussing the importance of focus, responsibility, and the benefits of reduced screen time. Establishing routines at home that minimize phone usage can complement the school's efforts.

4. Academic and Emotional Benefits:

- ❖ Emphasize research that shows students tend to perform better academically and experience improved emotional well-being when they limit distractions. Schools will provide resources and information to help students and parents understand these benefits.

Cell Phone Policy

Ellis Tech is a cell phone and smart watch free environment! From the moment you walk into the building until you walk out at the end of the day, your phone and watch are to be stored in your locker or left at home. **Let's focus on learning.**

1st Offense:

Student meets with Administration. Cell phone / earbuds placed in the Principal's Office for the day. Parent contacted.

2nd Offense:

Student meets with Administration. Cell phone / earbuds placed in the Principal's Office for the day. Detention assigned. Parent contacted.

3rd Offense:

Student meets with Administration. Cell phone / earbuds placed in the Principal's Office for the day. Student assigned 90 minutes of SAIL. Parent contacted.

4th Offense:

Student meets with Administration. Cell phone / earbuds placed in the Principal's Office for the day. Parent meeting scheduled. Student placed on technology restriction plan.

The new cell phone policy at Ellis Tech High School aims to minimize distractions and create a focused learning environment for all students. By fostering a sense of responsibility regarding technology use and encouraging productive habits, the school seeks to enhance both academic performance and emotional health. With the cooperation of parents, students, and faculty, Ellis Tech can make this transition a successful one.

10. Emergency Drills

Emergency drills are held at least once a month. During an Emergency Drill, **all occupants** of the building are required to leave in a quiet and orderly manner and assemble in designated areas. Homeroom Instructors will take attendance and immediately report missing students to an administrator or designee.

NO ONE MAY REENTER THE BUILDING UNTIL THE RETURN SIGNAL IS SOUNDED.

11. General Expenditures (Costs) for all Students

The following fees and materials are required for all students:

- Shop Uniform (Exploratory shirt for Grade 9)
- Appropriate gym uniform and sneakers
- Safety glasses and safety footwear, **non-marking** footwear
- Scientific Calculator (recommended: TI-30X-115)
- Academic uniform

The student should have the following classroom supplies in order to be prepared for the program of study in class:

- Wire-bound notebooks for each subject
- 3-ring loose leaf notebook 8 ½ by 11
- Paper and Writing Utensils
- Covers for Books
- Scientific Calculator
- Agenda Planner

Not all classes require the same supplies. Each instructor will advise a student about necessary purchases. Shops provide individual tool lists that students must have and timelines for their purchase. If a financial hardship prevents the purchase of tools or uniforms, the school social worker should be contacted to review the situation and determine if assistance is warranted. Limited funds may be available.

12. School Counseling

Adding or Dropping Courses

All requests to add or drop a course must be made through your school counselor. Requests must be made before the last day of the first cycle you are in the class.

School Counseling Appointment Procedures

Students should come to the School Counseling Office to schedule their appointments in advance: prior to homeroom, or by having an instructor telephone in advance for an appointment. Students will be given a pass from the School Counseling Office. No student will be admitted to School Counseling Office without a pass. Counselors may also contact students for a conference at various times during the school day.

Emergency situations may dictate waiving of these procedures.

Parents are urged to make appointments with the counselor when questions or concerns develop. The School Counseling Secretary will make the necessary arrangements. Any questions regarding your counselor may be directed to the School Counseling Secretary at (860) 412-7500, x7571.

13. Lockers

- No stickers, posters or ornaments of any type may be placed on any locker. We recommend that students do not bring valuables to school and keep it to just educational materials. (Ellis is not responsible for valuables that are lost or stolen)
- Please note: all lockers are subject to search and seizures.

14. Lost and Found

All articles found in the building should be brought to the SAIL Room. Inquiries about lost or missing items should be directed to the SAIL staff. All items not retrieved after a reasonable length of time will be donated to a charity or discarded.

15. Medical

Policy for Administration of Medications by Technical High School Personnel

State law requires doctor permission, as well as parental, for administration of non-aspirin pain relievers, i.e. Tylenol, Ibuprofen. Aspirin will not be given under any circumstances. No medication other than prescribed medications will be administered to students in the Connecticut Technical Education and Career System. Only medications prescribed by a written order of a physician or dentist licensed to practice medicine in Connecticut will be administered and there must be a written authorization by the student's parent or guardian.

The school nurse is responsible for the general supervision of administration of medications in the school. Prescribed medication is administered in compliance with the Connecticut Technical Education and Career System approved procedures and in accordance with regulations. Further information regarding these policies and/or procedures is available from the School Health Office at (860)412-7500, x7572.

Prescription Drugs

Students who must take prescription drugs during school time must do so under the supervision of the school nurse. Connecticut State Law Public Act No. 723 requires a physician's written order and a parent or guardian's authorization for the school nurse to administer any medication. All necessary forms are available from the School Nurse. All prescription medications must be in a properly labeled pharmacy container. This includes inhalers and Epi-pens.

Driving another student home

Under no circumstances will any student be allowed to drive any other Ellis Tech student home during the normal school day. Students who are released will remain in the Health Office until a parent/guardian or responsible person designated by the parent/guardian sign them out of school directly from the Health Office.

Reporting an illness

- Parents/guardians should call the school's attendance line to report illnesses and absences.
- Parents/guardians can also use ellis.attendance@cttech.org
- If a student is ill at school, they need to report to the school nurse and the school nurse will contact parent/guardian to determine if dismissal is appropriate.

Accidents

If the accident occurred at the school, an incident form will be completed and forwarded immediately to the insurance company.

If an accident occurred away from the school grounds and the student was not engaged in a school-sponsored activity and the student has 24-hour coverage, the parent or guardian or claimant (if adult) will complete this form.

The same will hold true if the student is under the school-plan only and suffers an accident while traveling directly and uninterruptedly to or from his home premises and the school for regular school sessions.

Under no circumstances is the school to be billed by hospitals, doctors, or others rendering services for treatment of injuries sustained. Bills are to be sent to the parents of the injured or claimant (if adult). Such bills and any future correspondence regarding a claim are henceforth a matter between the insurance company and the claimant. Any bills made out to the school for such services as mentioned, will be returned to the doctor, hospital or other rendering services.

16. Operations and Maintenance (Building)

Asbestos Management Plan (AMP)

In accordance with 19a-333-1 thru 13, "Asbestos Containing Materials in Schools", we are required to inform you that asbestos containing materials have been identified in various areas of the school, primarily in maintenance areas not accessible to students. Much of the material has been removed. What remains is included in an Operations and Maintenance (O&M) Program. This program is designed to prevent asbestos **fiber release through proper cleaning, maintenance, and repair. The O&M Program will remain in effect until** all ACBM is removed from the buildings.

The buildings are inspected every six (6) months to determine any changes in the conditions of the materials. Additionally, the buildings are thoroughly re-inspected every three years by licensed asbestos inspectors following the same basic criteria as the original inspection.

The H. H. Ellis CTECS maintains in its MAIN OFFICE a complete updated copy of the AMP. It is available during business hours for inspection. The Designated Person for the Asbestos Program is John Woodmansee, and can be contacted at (860)807-2233.

17. PFO

In the CTECS District Student/Parent Handbook for the 2024-25 school year, the PFO (Parent-Faculty Organization) form indicates an annual dues fee.

PLEASE NOTE: The Ellis PFO **does not** charge a fee for membership. Although you do need to complete and return the form, **MEMBERSHIP IS FREE!**

18. Photo/Media Release

A student's photograph may be used in promotional literature and publicity activities. Parents who decline are opting not to have their student's photograph used for promotional purposes and publicity activities. Please note that your student's photograph would only be used for CTECS promotional literature and publicity activities. It will not be used for any commercial purposes whatsoever.

19. Report Cards

Report Cards will be issued four times throughout the academic year.

20. Shop Uniforms & Tools

Students are required to wear the designated uniform during the trade cycle, as well as work boots and safety glasses. Uniform shirts should **not** have any **writing, graffiti, and markings or be torn (including sleeves)**. Additionally, torn or ripped jeans or trousers may present a safety problem and **are not to be worn in trade areas. It is strongly recommended to buy non-marking boots and students should wear sneakers or shoes on the academic cycles.**

NOTE: Tools are the student's responsibility and should always be taken care of by the student. When not being used, tools should be locked up. We recommend that students mark their tools to easily identify them. **Additionally, knives are not allowed on campus.*** Please see the approved tool list for your student's shop approved tools. *Culinary has a knife kit which is part of the approved tools for the culinary curriculum.

21. Senior Release

2024-2025 Senior Release Guidelines

H.H. Ellis Technical High School has a policy whereby seniors **who are in good standing** may be excused from seventh period during their **trade cycle**. The following conditions apply to this senior privilege policy:

1. **Academic/Attendance deficiencies:** The early dismissal privilege is **NOT** extended to anyone who has an unacceptable attendance record or has a marking period grade of less than 70% in any academic subject/trade. It is also **NOT** extended to students who have incomplete grades, less than 2 credits in Math and are not on pace to graduate or have basic skills deficiencies. This privilege may be revoked at any time as deemed necessary by administration.
2. **Senior Dues:** Arrangements for payment of at least one-half of the senior dues must be made by the end of the 2nd quarter, in order to continue senior release during the 3rd quarter. Arrangements for payment of the balance must be made by **April 7st**. Please see your class advisor for details.
3. **Parental Consent:** Parental consent **MUST** be secured for all seniors regardless of age. Transportation is the responsibility of the individual senior or their parent/guardian. **Students are not permitted to drive other students off campus until the end of the school day! Written parental consent from BOTH students is required for students to transport another student.**
4. **Signed consent form:** A signed parent/guardian consent form **MUST** be signed and kept on file in the attendance office in order for seniors to be released from school.
5. **Detention and ISS:** The early dismissal privilege is **NOT** extended to seniors who have after school detentions or those that are serving In-School Suspensions (ISS) for any reason. Seniors assigned to OSS will lose the release privilege for the remainder of the current quarter and will have to meet with administration to regain this privilege.
6. **Exit:** Seniors sign out utilizing the Google form through their Chromebooks at the end of period 6. Students **MUST** leave the building and school grounds in an orderly manner upon dismissal and exit the building through the closest exterior doors from their 6th period class. Failure to leave as previously directed may result in the loss of this privilege. If a senior chooses not to take Senior release, their only option is remain in trade, They will not be allowed to wander the halls or visit other shops, etc.
7. **Extra-curricular Activities:** Those students who participate in extracurricular activities after school are permitted to take part in early dismissal, but will not be allowed back into the building until the school has been dismissed.
8. **Privilege: Early dismissal is a privilege, not a right.** It is in the best interest of all seniors to do whatever they can to ensure its smooth operation. The Principal and Assistant Principals retain the right to withdraw the privilege at any time without prior notice for any violation of the educational, disciplinary, and/or attendance policies and regulations of H.H. Ellis Technical High School.

22. Safety and Threat Assessment

Ellis and CTECS are committed to keeping all students and staff members safe. To that end, if a threat of violence or an act of violence occurs, the school utilizes a multidisciplinary team and a researched based threat assessment tool to establish the level of risk and needed interventions. The CSTAG model provides teams with guidelines to distinguish whether a threat is transient (not serious) or substantive (poses a continuing risk to others). Accurately distinguishing between transient and substantive threats helps the school team both to avoid over-reacting to threats that are not serious and to focus its attention on serious threats that merit protective action (Burnette, Datta, & Cornell, 2017)

23. Student Assistance Team

Referral may be made through any faculty member or directly to the SAT Coordinator, Ms. Janice Perez, at (860)-412-7547.

24. Signatures

All permission slips, excused absence notices, requests for early dismissal, and other school-related documents should be signed by a parent or court-appointed guardian.

25. Student Areas Before School

The areas where students are authorized to congregate are:

Before school:

- Students will report to the cafeteria if they are eating breakfast
- Students will report to the MPR, or in front of the library if they are not eating breakfast
 - o Students may not go down the academic or trade wings until 7:15
 - o Students should leave the hallway between the cafeteria and the MPR clear until 7:15
 - o Students should dispose of any food/beverages properly before reporting to homeroom (no containers/food etc. on the floors)

26. Student Activities

Student Officers

Students running for any school office must be passing all subjects. Final approval rests solely with the administration in consultation with the teaching staff and guidance. A negative or serious discipline record will preclude a student from running for office.

Student Council

The Student Council is operated under the theory that students gain much from conducting a representative government of their own. The Student Council regulates the spending of monies from the activity fund, coordinates student activities and promotes sensible policies for student behavior. The Constitution of the Student Council will be posted in the Library Media Center.

Class Organizations

Each class operates under officers selected by the members of the class. Meetings of class representatives are held regularly to conduct business and to plan various class projects and social affairs. The treasurer and secretary are expected to keep accurate records and submit copies to the office.

National Honor Society

The school chapter of the National Honor Society is named after former director (principal) Henry Burgess. Students who show evidence of outstanding scholarship, leadership, character, and service are eligible for election to this group. To be eligible scholastically a student must have an average of 85 for Grade 11 & 12 and an average of 90 for Grade 10. Membership in this organization is one of the highest honors a secondary school student can achieve.

Varsity Sports

The varsity sports program offers students the opportunity to participate in various athletic contests with other schools. Students from all classes are eligible to try out for varsity sports provided they meet CIAC, district, and school eligibility requirements. When possible, junior varsity team schedules are arranged. Varsity teams are organized in basketball, baseball, cross-country, football, golf, soccer, softball, track, volleyball and wrestling.

Skills USA

All students are eligible to participate in SkillsUSA. Club members compete in their trade and/or in leadership skills at a state conference annually.

Ski Club

Any student may join the Ski Club, which during the winter months makes weekly after-school trips to local ski areas, weather permitting.

Simulation Club

Members meet weekly to compete with each other in games simulating historic events.

Yearbook

Juniors and seniors volunteer their time to produce their class yearbook.

These are some of the activities Ellis Tech offers its students. Other clubs or teams may be formed with approval from the administration and/or student council.

27. Student IDs

Students are provided with picture identification cards (Student IDs). Students are required to carry these IDs on them at all times. If they are asked by a staff member to show their ID, they MUST provide it.

It is the student's responsibility to care for these Student IDs. They are not to be defaced, cut up, or misused in any manner; doing so will result in disciplinary action. Lost IDs may be replaced in the Business Office for a fee of \$3.00.

If the student violates the ID Protocol, the school will follow a progressive discipline model of consequences.

Students will report to the SAIL Instructor, will be given a temporary ID to borrow for the day, and will be issued the following consequences:

If the student violates the ID Protocol, the school will follow a progressive discipline model of consequences. Students will report to the SAIL instructor, will be issued a temporary ID to be returned at the end of the day and will be issued the following consequences:

First Offense: Warning, phone call or email home.

Second Offense: Phone call or email home and One after school detention

Third Offense: Phone call or email home and two after school detentions

Fourth Offense: Phone call and email home, Two after school detentions and referral to administration and/or parent conference

Contact Number: 860-412-7540

Uniform **Grades 9-12**

1. A complete uniform along with an ID badge should be worn at all times while participating in shop and class. This uniform will be worn to lunch and all school activities such as class meetings, assemblies, etc.
 - a. Uniform is black scrub pants and scrub shirt. Uniforms can be ordered online. There is an option of black or white t-shirts that must be the HBC with the logo. Black scrub pants and scrub shirts can be purchased with our vendor as

well, or can be purchased at any store that sells scrubs as long as they are solid black.

- b. Solid color long sleeve t-shirts can be worn UNDER the scrub shirt if your student has a tendency to be cold. Any color can be worn as long as it is a solid color. We also have the option with Darter uniforms to purchase a zip up fleece with the HBC logo on it. This is the only outerwear that is allowed. Hoodies are not allowed at any time.
- c. Footwear should be comfortable and protective due to the nature of our trade. Sneakers with socks are the footwear that we wear. Solid, leather or sturdy material is preferred as we can drop items that can injure our feet. Open toe, open back, slipper/moccasin shoes/ boots are not acceptable. These shoes are not up to OSHA standards. Any student in violation of footwear policy will need to make the appropriate accommodations in order to participate in shop activities. Points will be deducted from grade.
- d. Changing out of uniform is not allowed during the school day.

Tool List **Grades 9-12**

- 1) HAIRCUTTING SHEARS AND THINNING SHEARS- CLEAN OF HAIR AND OILED**
- 2) RAZOR WITH NEW BLADES**
- 3) 7 IN. CUTTING COMBS (4-6)- CLEAN AND PLACED IN PLASTIC BAG**
- 4) RATTAIL COMBS INCLUDING METAL TIP COMBS (4-6)-CLEAN AND STORED IN PLASTIC BAG**
- 5) SECTION CLIPS (BUTTERFLY OR DUCK CLIPS)**
- 6) 2 DRAPES (1 PLASTIC AND 1 CLOTH)**
- 7) WATER BOTTLE**
- 8) BLOW DRYER- WIRE WRAPPED PROPERLY AND VENT CLEANED**
- 9) CURLING IRON MARCEL- ¾ OR 1 INCH CLEANED AND WIRE WRAPPED PROPERLY**
- 10) SPECIALTY COMB PACK-(TEASING, WIDETOOTH, ETC.)**
- 11) FULL HEAD MANNEQUINS-1 MALE AND 3 FEMALE**
- 12) ELECTRIC CLIPPER WITH ALL ATTACHMENTS – CLIPPER AND ATTACHMENTS SHOULD BE CLEANED AND OILED**

Department Head: Zach Nelson
Instructor: TBD

Contact Number 860-412-2908
Contact Number 860-412-7827

Uniform

Grade 9

Grade 9 students are required to be in their exploratory uniform until they join the shop.

Grades 10-12

All students are required to be in a shop uniform every day. The uniform shirt is either a short sleeve polo shirt, black or dark blue in color, with their name and the shop logo affixed, or a long sleeve crew neck t-shirt with their name and the shop logo affixed. Students are allowed to also have the shop logo placed on the upper back of the shirt.

The uniform pants are either blue, black, or brown khaki style pants or blue jeans. Footwear is required to be closed shoes or sneakers.

The uniform outerwear is either a long sleeve fleece or long sleeve crew neck sweatshirt in dark blue or black with the shop logo affixed. Uniform apparel may not be ripped or torn or have any holes. Team gear, hooded sweatshirts, yoga-style pants, or any other non-school apparel is prohibited.

Our uniform vendor is;

Joan Gobin
CK Stitches and More
211 Nott Hwy.
Ashford Connecticut 06278
United States
860-428-4902

Architecture Tool list
Grades 9-12

During Exploratory, students are provided with the tools that they need until shop selection is made. Once they join the shop, students are expected to have their own set of drafting tools (listed below). It is also recommended that students have a tool box or bag to store their drafting tools in. Students are also required to have flash drives, portfolio folders, and a small journal.

Each student must acquire the personal tools listed below. Students are required to obtain and replenish tools as-needed. Students are expected to bring all required tools to every class, failure to do so can result in academic and behavior consequences.

The tools needed to satisfactorily perform the required work in our Architecture program are as follows:

Freshman Year

<u>Qty</u>	<u>Description</u>
1 box	drafting pencil (4H) (replacements as needed)
1 box	drafting pencil (2H) (replacements as needed)
1 box	drafting pencil (2B) (replacements as needed)
1 (3-pk)	eraser (replacements as needed)
1	erasing shield
1	30/60/90 triangle - 8" minimum size
1	45/45/90 triangle - 8" minimum size
1	12" architectural scale
1	medium bow compass
1	french curve
1	sandpaper block
1	drafter's dusting brush
1 (3-pk)	roll of drafting tape (replacements as needed)
1	lettering guide
1	architectural fixture template (door swings, toilet, sink, tub, etc.)
1	furniture template
1	12" engineering scale
1	3-ring loose-leaf notebook with paper
1	calculator

Sophomore Year (In addition to the tools required in freshman year)

<u>Qty</u>	<u>Description</u>
1	Adjustable triangle

29. Visitors

Student visitors are allowed with prior written permission from their parents, the visitor's school, permission from our Guidance Office and the Administration of Ellis Tech. A medical form must also be completed and submitted to our School Nurse. Student visitors must have an application on file for admission with our Guidance Department before the time of the scheduled visit.

On the morning that the visitor arrives, the visitor MUST sign in at the security desk to obtain a visitor's pass.

NOTE: STUDENT VISITORS ARE NOT ALLOWED TO BRING CHILDREN TO VISIT THE SCHOOL OR STAFF DURING SCHOOL HOURS.

The Ellis Tech Student/Parent Handbook additions represent our collective effort to set parameters which will create an atmosphere of safety and respect, which are our primary concerns. We believe all students, faculty, staff, and parents should feel safe and respected when they enter our school as well as throughout the day.

We have excellent professional and support staff who are dedicated to the success of our students. We also have wonderful students who care about each other, and rise to the challenge of balancing the dual demands of our academic and technology curriculums.

If you have questions about any of the rules, please contact any administrator or staff member. We will be happy to assist you.
